

Academic Fair Backboard and Oral Presentation

1. The title on the backboard must be exactly as it is on your research paper.
2. Nothing is to be handwritten.
3. You must include two handmade items or visual aids.
4. Oral presentation must be 5-7 minutes long.
5. Oral presentations with backboard are due January 19-22. The rough draft and final copy of the research paper is due on the day of your presentation.
6. You will be graded on your introduction, organization, conclusion, use of visual aids, eye contact, voice quality and knowledge of subject.
7. You must refer to your backboard during your oral presentation.
