

Adopt-A-Book Program

In the best children's books, words and pictures form a magical union.

The words tell the story and the illustrations widen a child's eyes, fuel the imagination and excite the spirit.

With our Adopt-A-Book Program, students and parents can purchase quality books for our library.

Your child's name will be placed on a special bookplate in the front of each book you donate and your child will be the first one to check it out of the library.

The Mission of St. Joseph Catholic School is to provide students opportunities for Academic excellence in a setting that promotes Christ-centered living, service to the community, and personal spiritual growth within our Catholic Family.

About
Books Alive**

Help find a “safe” place at home for their Library Books

Children will be checking books out of our library each week.

Share the responsibility in making sure your child brings his/her book back to school on time.

If a book becomes damaged or lost, send me a note, call me or e-mail me. I have special materials in the Learning Center to repair books.

PLEASE do not try to repair a book at home.

Thank You
